

ATTACHMENT E

COST PROPOSAL

The Cost Proposal must identify the total cost of the proposed system with a detailed itemization of the six (6) components identified in Section II of the RFP, Scope and Conditions of Voice Recorder System.

Proposer must itemize all charges for the proposed system contained in Appendix A including all hardware costs, software costs, user and administrator training, manuals and documentation, system setup, travel, user licenses, system implementation, hourly fees for custom modifications, and other associated costs.
