MKE ACHIEVES ACI AIRPORT HEALTH ACCREDITATION

Accreditation shows Airport's commitment to providing a safe experience for travelers

MILWAUKEE (MAY 25, 2021) – Milwaukee Mitchell International Airport is being recognized for its efforts to ensure the health and safety of travelers during COVID-19 by becoming accredited in the Airports Council International (ACI) Airport Health Accreditation program.

The program recognizes airports that demonstrate they are maintaining safe and hygienic facilities by following the health measures established through ACI and ICAO recovery guidelines, along with industry best practices.

“Since the beginning of COVID-19, passenger health and safety has been the top priority at Milwaukee Mitchell International Airport,” said Milwaukee County Executive David Crowley. “This is a very well-deserved accreditation for the Airport which will continue to serve as a reminder that we are all committed to moving Milwaukee forward with safety in mind at all times.”

MKE was evaluated and accredited for its commitment to overall cleaning and disinfecting, physical distancing, staff protection, passenger communications, and more.

“This accreditation reflects all of the hard work that our Airport staff put into maintaining a safe environment this past year,” said Airport Director Brian Dranzik. “It’s rewarding to see these efforts recognized, and we hope this accreditation serves as a reminder that our passengers can continue to trust MKE as traffic rebounds and we all look to the future of travel and recovery.”

MKE currently offers nonstop flights to 40+ destinations coast-to-coast, and 160 international destinations are available from Milwaukee with just one connection. MKE is served by Air Canada, Alaska, American, Delta, Frontier, Southwest, Spirit, and United. The complete list of nonstop cities can be found at mitchellairport.com.

Milwaukee Mitchell International Airport is owned by Milwaukee County and operated by the Department of Transportation, Airport Division, under the policy direction of the Milwaukee County Executive and the County Board of Supervisors. The Airport is entirely funded by user fees; no property tax dollars are used for the Airport's capital improvements or for its day-to-day operation.
