

## **December 2023**

### **Project Descriptions for Official Notice No. 7401**

#### **At General Mitchell International Airport**

##### 1) WA0221 Concourse E Redevelopment

This project includes an addition to the existing terminal for two additional gates. This new addition allows for flexible aircraft size and parking positions serving either domestic or international flights enhancing service to the community through increased capacity, efficiency, safety, and accessibility. Also included in the addition is space for TSA screening, and Customs and Border Protection. Construction is anticipated in 2025.

The design phase of the project is anticipated to be funded by Airport Development Fund (ADF). The construction phase of the project is to be funded with Airport Development Fund (ADF), Passenger Facility Charge (PFC) Cash funding, Bipartisan Infrastructure Law - Airport Terminals Program (BIL-ATP), and Passenger Facility Charge (PFC) backed bond funding.

##### 2) County Fuel Based Infrastructure

This project installs new underground fueling infrastructure to support the addition of new gates at the terminal. Construction is anticipated in 2025.

The design phase of the project is anticipated to be funded by Airport Development Fund (ADF). The construction phase of the project is to be funded with Passenger Facility Charge (PFC) Cash funding.

#### **At Lawrence J. Timmerman Airport**

##### 1) MWC Tower Rehabilitation

The MWC Tower Rehabilitation project includes the rehabilitation of the architectural systems for the air traffic control tower at MWC. This includes the rehabilitation of portions of the façade/exterior envelope systems such as glazing and replacement of exterior windows and doors. All items planned for rehabilitation are beyond their useful life. Construction is anticipated in 2024.

The design phase of the project is anticipated to be funded by Airport Development Fund (ADF). The construction phase of the project is to be funded with Airport Development Fund (ADF) and Bipartisan Infrastructure Law - FAA Contract Tower Competitive Grant Program (BIL – FCT).
