

Reasonable Accommodation Policy

Milwaukee Mitchell International Airport will provide reasonable accommodations in policies, practices, or procedures when such accommodations are necessary to avoid discrimination on the basis of disability. Such accommodations will be provided unless making the accommodations would fundamentally alter the nature of the service, program, or activity or result in an undue financial and administrative burden.

Requests for reasonable accommodation do not require advance notice, but those wishing to make advance requests may contact the airport's ADA/Title VI Coordinator Monday – Friday, 8am – 4:30pm, whom will assist in coordination with the airlines, concessionaires, or other airport tenants as needed. Please allow 2 business days for a reply if an advance request is submitted.
