## **SPIRIT AIRLINES LAUNCHES FOUR NEW NONSTOP DESTINATIONS AT MKE**

**MILWAUKEE (NOVEMBER 17, 2021)** – Spirit Airlines launched its new daily nonstops between Milwaukee Mitchell International Airport and Fort Lauderdale, Tampa, Fort Myers, and Phoenix, AZ today. The Airport held an inaugural launch celebration at the gate. Passengers taking advantage of these new flights were treated to cookies, first flight certificates, and fun MKE swag.

“It’s great to see so many passengers taking advantage of Spirit’s low fares and new destinations today,” said Airport Director Brian Dranzik. “Our travelers are excited to beat the winter blues, and we’re so thrilled to see them here today.”

Spirit began service from Milwaukee in June with flights to Orlando, Los Angeles, and Las Vegas. This now brings the total up to seven cities served nonstop from Milwaukee on Spirit.

“We’re thrilled by the strong response our low fare and high value service has received in the Badger State. We’re excited to continue growing Spirit’s presence at MKE with new, convenient nonstop options to get away to great leisure destinations or visit friends and family,” said John Kirby, Vice President of Network Planning for Spirit Airlines.

Additionally, Spirit Airlines will launch three weekly nonstop flights from Milwaukee to Cancun (CUN) this December. This will be the airline’s first international route from Milwaukee. Tickets for all flights are available now at [spirit.com](https://www.spirit.com) or on popular travel websites.

*Milwaukee Mitchell International Airport (MKE) currently offers nonstop flights to 40+ destinations coast-to-coast, and more than 200 international destinations are available with just one connection. MKE is served by Air Canada, Alaska, American, Contour, Delta, Frontier, JetBlue, Southwest, Spirit, Sun Country, and United. The complete list of nonstop cities can be found at [mitchellairport.com](https://www.mitchellairport.com).*

*MKE is owned by Milwaukee County and operated by the Department of Transportation, Airport Division, under the policy direction of the Milwaukee County Executive and the County Board of Supervisors. The Airport is entirely funded by user fees; no property tax dollars are used for the Airport’s capital improvements or for its day-to-day operation.*
