BEER ON TAP

MILLER LITE

Our flagship brand, Miller Lite, is the great tasting, less filling beer that defined the American light beer category in 1975. Today, Miller Lite is the ultimate light beer, known for its inherent quality of great taste. Miller Lite is the only beer to win four gold awards in the World Beer Cup for best American-Style Light Lager, 1996, 1998, 2002, 2006.

BLUE MOON BELGIAN WHITE

Started in 1995 at the Sandlot in Denver, Colorado, Blue Moon was created to provide a handcrafted, uniquely-flavored, highly drinkable beer. After over a decade, Blue Moon is still holding to that idea, giving customers an artisanal experience unlike any other. Belgian White puts to use unfiltered Belgian brewing methods in practice for over 300 years. Combining malt, wheat and oats, giving the Belgian White its signature cloudy appearance and smooth, full-bodied taste.

LEINENKUGEL'S ORIGINAL

A classic lager brewed with pale malts and cluster hops. We've been perfecting our craft since 1867 when Jacob Leinenkugel founded the Jacob Leinenkugel Brewing Company. Over 150 years and 6 generations later, we're still proudly brewing our award-winning Leinenkugel's Original, a classic American Pilsner, just as we did in 1867.
