Three flights per week begin May 16

MILWAUKEE (February 7, 2024) – Ultra-low fare carrier [Frontier Airlines](https://www.flyfrontier.com) today announced plans to add nonstop service between Milwaukee Mitchell International Airport and Philadelphia International Airport (PHL) this spring. “Today’s announcement from Frontier provides another option for Milwaukee travelers to enjoy Philadelphia’s rich history,” Airport Director Brian Dranzik said. “From Independence Hall where the Declaration of Independence and U.S. Constitution were signed, to the famous Philly cheesesteak restaurants, there’s something for everyone in Philadelphia.”
