AIRLINES TO OFFER MASSIVE SPRING BREAK FLIGHT SCHEDULE FROM MKE TO FLORIDA AND OTHER WARM-WEATHER VACATION HOTSPOTS

MILWAUKEE (February 20, 2024) – Milwaukee Mitchell International Airport (MKE) is gearing up for hundreds of flights to vacation destinations, making spring break getaways easier and more convenient for Milwaukee-area travelers. During the month of March, airlines are planning approximately 360,000 departing seats from MKE, up from about 300,000 seats in February. March 2024 departing seats are also up 19% compared to March of 2023.

“MKE’s airline partners are offering so many incredible nonstop spring break destinations this year, the hardest part of booking your trip is deciding where you want to go,” said Airport Director Brian Dranzik. “With more departing flights, larger aircraft, and convenient flight times from MKE, we’re excited to help Milwaukee-area travelers find the spring break trip they’ve always dreamed of taking.”

MKE will offer 26 nonstop departures (21 of which are on Southwest) to Florida on Saturdays during the spring break peak this year, along with 10 nonstop departures on Saturdays to other warm weather destinations.
