RE: General Mitchell International Airport, Runway Improvement Project

Ms. Morland:

Thank you for notifying the Wisconsin Coastal Management Program (WCMP) of the projects referenced above. This letter is to inform you that the WCMP waives review of these projects. This does not exempt the proposed project from requiring any other necessary state or local permits or authorizations. If you should have any questions, please feel free to contact me at (608) 267-7982.

Sincerely,

Mike Friis, Manager
Wisconsin Coastal Management Program

Laura Morland

Hi Laura,

It means that because impacts are likely minimal and existing authorities already exist we choose not to review and our determination isn't required.

Thank you, Mike. Can I assume that your waiver of a review means the project is consistent with Coastal Zone Management Program?
