# BEER ON TAP

## MILLER LITE

Our flagship brand, Miller Lite, is the great tasting, less filling beer that defined the American light beer category in 1975. Today, Miller Lite is the ultimate light beer, known for its inherent quality of great taste. Miller Lite is the only beer to win four gold awards in the World Beer Cup for best American-Style Light Lager, 1996, 1998, 2002, 2006.

## BLUE MOON BELGIAN WHITE

Started in 1995 at the Sandlot in Denver, Colorado, Blue Moon was created to provide a handcrafted, uniquely-flavored, highly drinkable beer. After over a decade, Blue Moon is still holding to that idea, giving customers an artisanal experience unlike any other. Belgian White puts to use unfiltered Belgian brewing methods in practice for over 300 years. Combining malt, wheat and oats, giving the Belgian White its signature cloudy appearance and smooth, full-bodied taste.

## LEINENKUGEL'S RED LAGER

For more than 20 years, Leinenkugel's Red Lager has been a staple in our family of beers, not to mention coolers, tents, and ice boxes. It gets its smooth caramel flavor and spicy hop finish from a special blend of Three Pale, Carapils® and Caramel malts, along with Cluster and Mt. Hood hops. The winner of both gold and silver medals in the Vienna-Style Lager category at the World Beer Cup in 1998 and 2002. Leinenkugel's Red pairs well with robust chicken dishes and hearty soups.
